**Re:** Moy - Shepherd - Beach Water main Reconstruction

Attached is a Quotation Summary and Recommendation for the reconstruction of Moy, Shepherd and Beach Streets water main.

Nine qualified contractors were invited to bid; six of those contractors made submissions in response to the Request for Quotation for this work.

Budget amount for this project is: \$ 660,000.00

Water Engineering has reviewed and accepted M.R. Dunn Contractors' submission.

**RECOMMENDATION:**

I recommend approval of the low bidder meeting specifications, M.R. Dunn Contractors Ltd.

**Re:** Catholic Protection Programme 2008

Attached is a Quotation Summary and Recommendation for supply and install of cathodic protection in selected areas for 2008

Six contractors were invited to submit quotations in accordance with the specifications and drawings. Three contractors submitted, however, Trison Constructions submission was not submitted prior to tender closing, and was disqualified.

Global Catholic is not to specification, as is disqualified. The W.U.C. specifications included a requirement for bidders to provide a Statement of Similar Experience. During the evaluation it was discovered by Water Engineering that the Statement of Experience provided by Global Catholic was inaccurate, in that they did not perform at least one of the projects they listed to their credit.

**RECOMMENDATION:**

I recommend acceptance of the C P Systems submission.

A handwritten signature in black ink, appearing to read "Ken Patterson", is written over a horizontal line.
